

The Nevada Board of Regents
Community College Institutional Advisory Councils
Charges

Nevada's Board of Regents is committed to ensuring that Nevada's community colleges are operating at their maximum potential, making the most effective and efficient use of available resources while meeting the unique needs of the communities they serve.

Community colleges have been identified as the workforce development engines of our nation, and therefore, the Board of Regents recognizes the need and value in having a direct line of communication with the communities served by the community colleges. As we collectively identify the workforce training necessary for the growth and sustainability of industries in our communities; and we maximize the potential for the community's college to deliver curricula that will meet the needs of a diverse population, the Board will form Institutional Advisory Councils to serve as active links between the college and community.

Formation

No later than December 31, 2014, each Nevada community college shall establish an Institutional Advisory Council. On or before December 1, 2014, the Chancellor, after consultation with each college president and local stakeholders, will forward to the Chair of the Board of Regents nominations for appointments to the Institutional Advisory Council. The Chair of the Board of Regents shall appoint an advisory council for each community college, consisting of not less than seven or more than fifteen members composed of residents from the area in which the community college is located and serves. The Chair of each local community college advisory council shall serve as an ex-officio advisory member on the Nevada Board of Regents Standing Committee on Community Colleges. When circumstances dictate, either the college president or the Chair of the College Advisory Council, upon consultation with the members of the Council, may recommend the appointment of additional members to the Chair of the Board. In addition, the president of the college may request the Chair of the Board to name such ex-officio members of the College Advisory Council as the president may deem necessary or useful to better serve the purposes of the Council.

Of members first appointed to the Institutional Advisory Council, one half of the appointees shall be appointed for four years and remaining appointees for two years. Student members shall serve for one year terms. Thereafter, terms of non-student members appointed to the Institutional Advisory Council shall be for four years. The members of an advisory council may be reappointed by the Chair of the Board of Regents for a second term. Members of the advisory council shall serve without compensation but any reasonable expenses incurred in attending the meeting shall be reimbursed.
